Commissioner for Patents

Notice of Non-responsive Amendment

The reply filed on 07 June 2006 (cert. of mail date) is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

The proposed reply filed on 07 June 2006 has not been entered because it is unsigned by the applicant. The proposed reply contains written matter submitted by Richard A. Ryan. However, the prosecution history of the instant application and the reply does not include an appointment by the applicant designating a Power of Attorney to Richard A Ryan, as required by 37 CFR §1.32(b). Furthermore, it is noted that the prosecution history of the instant application and the reply does not include a Change of Correspondence address.

Applicant has not submitted the required payment for an extension of time under 37 C.F.R. 1.136 (1.17(a)(1)-(4)) for three (3) months: Fee; \$510.00). The PTO did not receive a Credit Card Form in the amount of \$510.00.

Applicant's reply does not present arguments pointing out the specific distinctions believed to render the newly presented claims, patentable over the applied reference(s), as required by 37 CFR §1.111.

Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Robert J. Sandy whose telephone number is 571-272-7073. The examiner can normally be reached on M-F (7:30-4:00).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, J.J. Swann can be reached on 571-272-7075. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
